I Don't Need A Santa Claus

I don't need a Christmas tree with bright lights all a-glow;

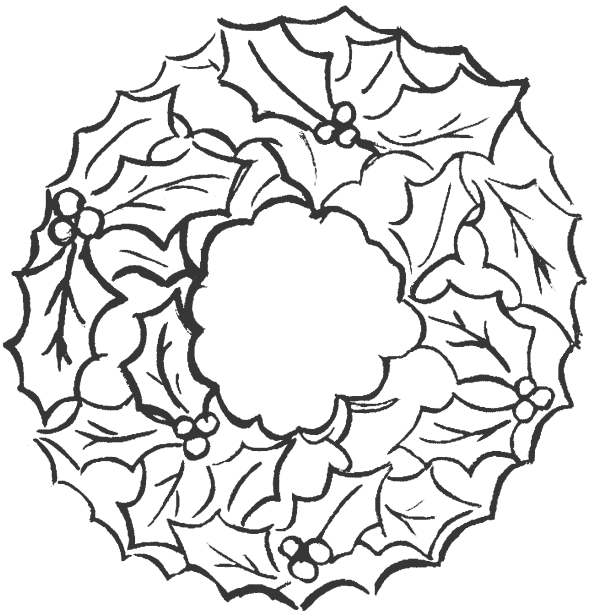

or Christmas

goose

or holly

wreath

or even soft

white snow!

I don't need a Santa Claus or

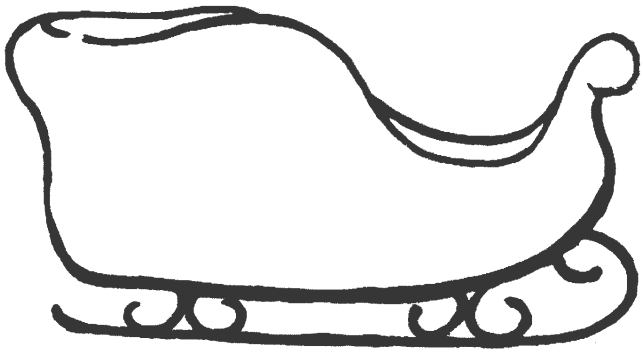

stocking filled with toys;

or bright red

sleigh with

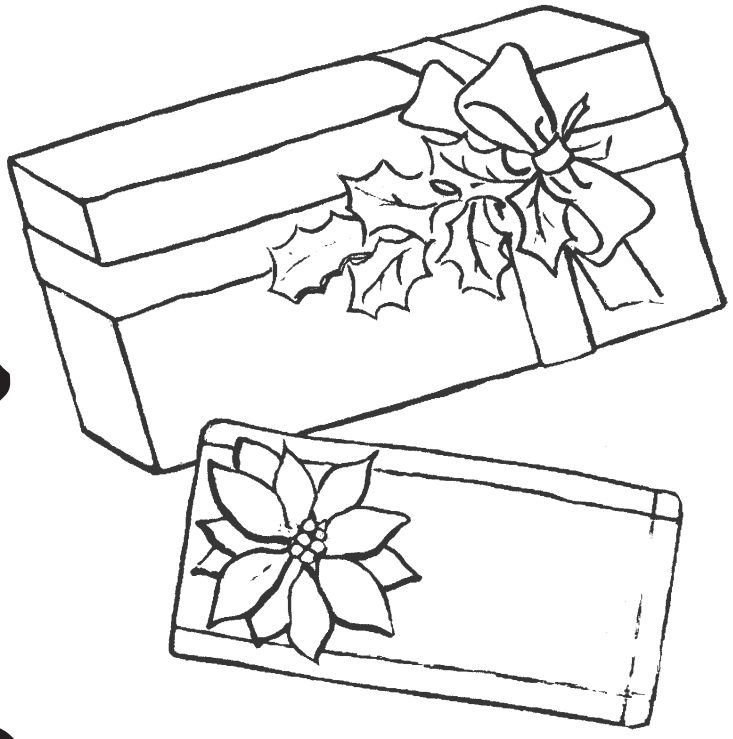

reindeer gay

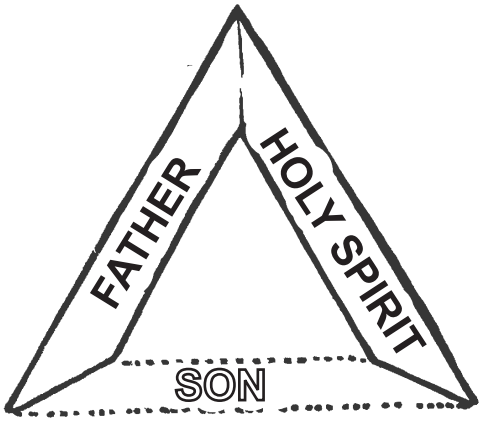

to bring me

Christmas joys!

Long ago in Heav'n, God planned a "Gift" for me.

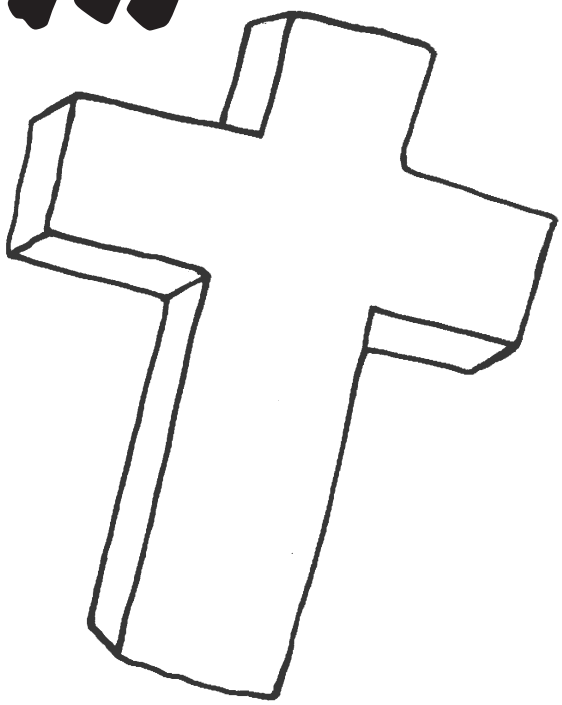

Through His Son it came

"SALVATION!" full and free!

For my sin Christ died;

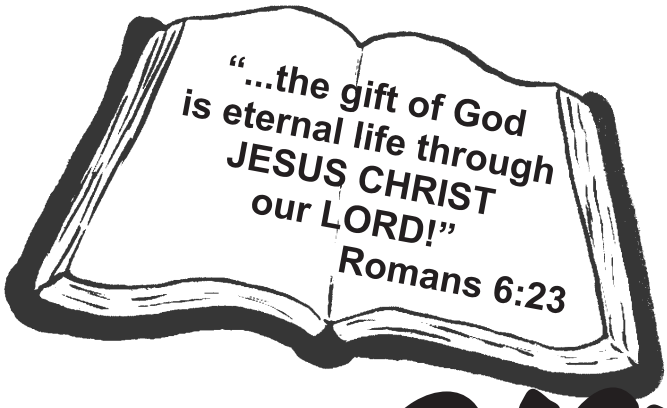

My risen Lord is He!

This I believe and have received God's "Christmas Gift" to me! so...

I Don't Need a Santa Claus

(Tune: Jingle Bells)
