I Don't Need A Santa Claus

I don't need a Christmas tree with bright lights all a-glow;

or Christmas

goose

or holly

wreath

or even soft

white snow!

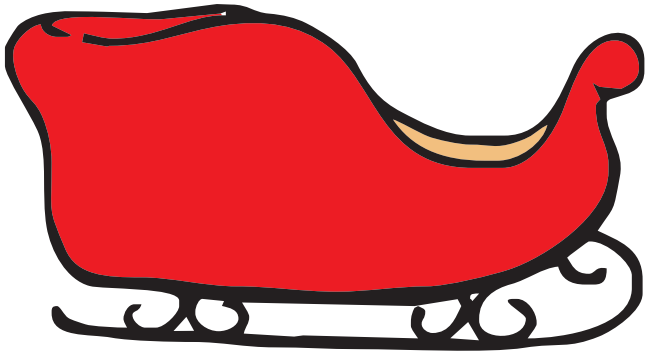

I don't need a Santa Claus or

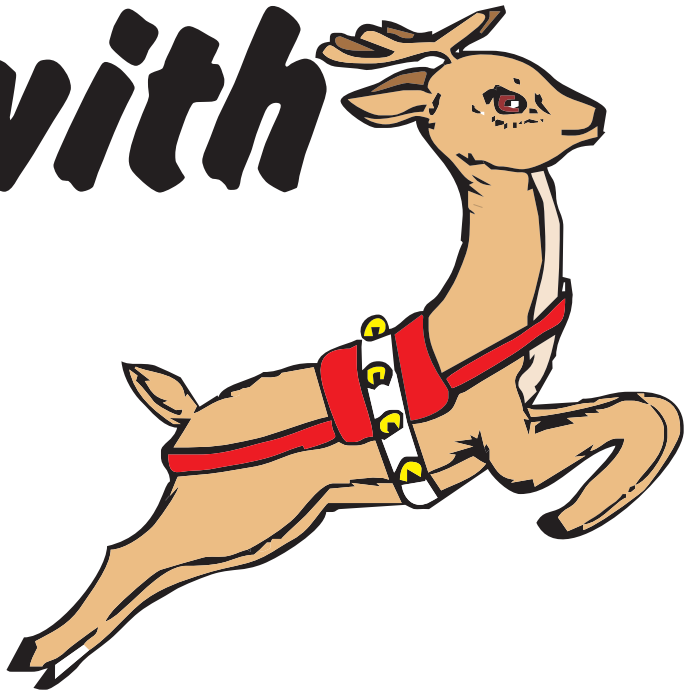

stocking filled with toys;

or bright red sleigh with

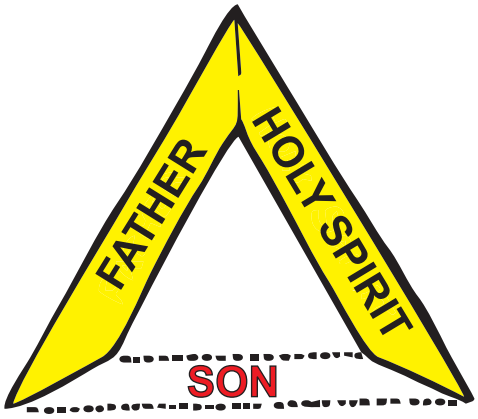

reindeer gay to bring me Christmas joys!

Long ago in Heav'n, God planned a "Gift" for me.

Through His Son it came

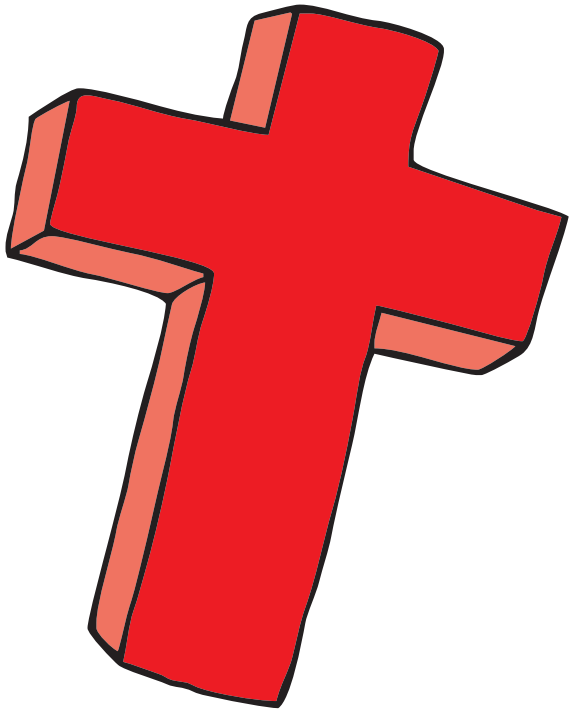

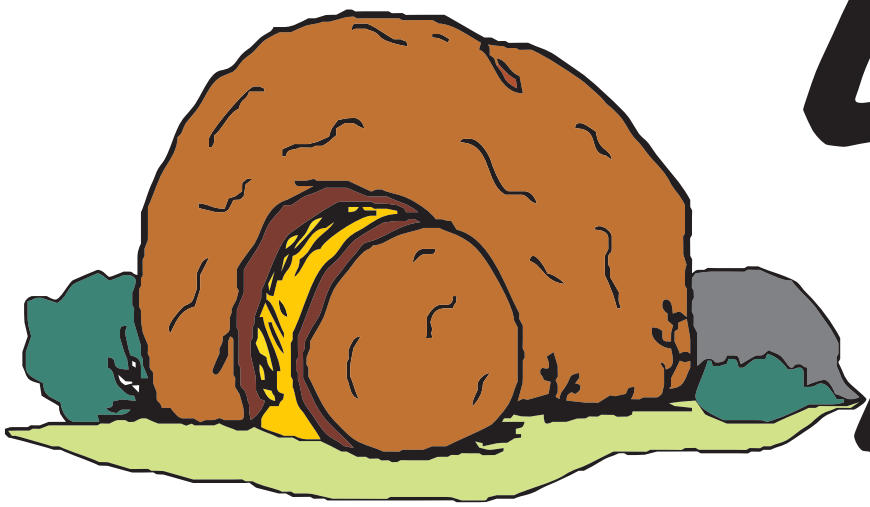

"SALVATION!"

full and free!

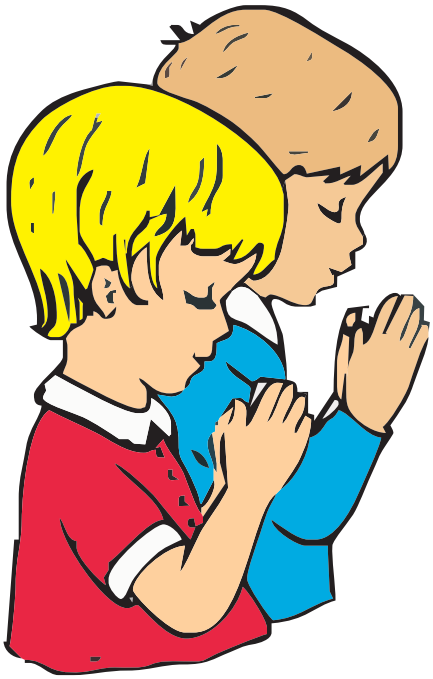

For my sin
Christ
died;

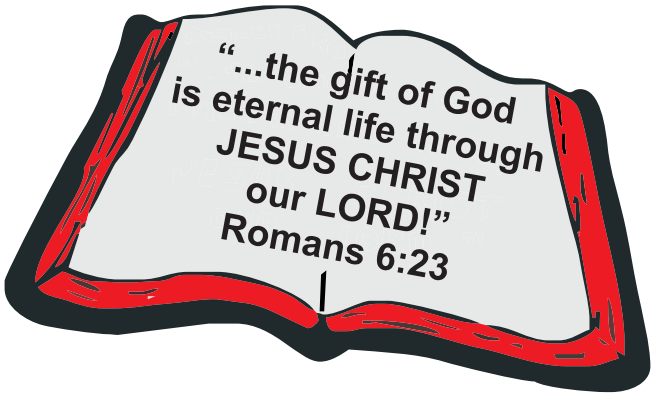

My risen
Lord
is He!

This I believe

and have received

God's "Christmas Gift" to me! so...

I Don't Need a Santa Claus

(Tune: Jingle Bells)
