Church: Doors - Brown CM. Steps: Brown lines FS.
Roof and Steeple: Lt. Blue and Grey mix SK RD.
Under Eaves : Little violet SK RD shading.
Windows: Touch of blue to look likeglass.
I added arches inside of the door to look like the windows on the far side.
I added a dittle brown diagonally to look like carpet and made sure I rubbed it down just enough.
Shrubbry: Green CM with a little Brown for shadows and contour.

PAGE 8. Same as cover unless you want to change the clothing. No need to though.

Glue one piece of music to the back of the song before covering with Contact Paper.
